

All about Emily Varney

I am an EHCP Coordinator

One thing I like is...

Helping children and families access the correct support through a well-written EHCP!

One thing I don't like is...

Having to say "no"... I want to work well together to help you.

The best way to communicate with me is...

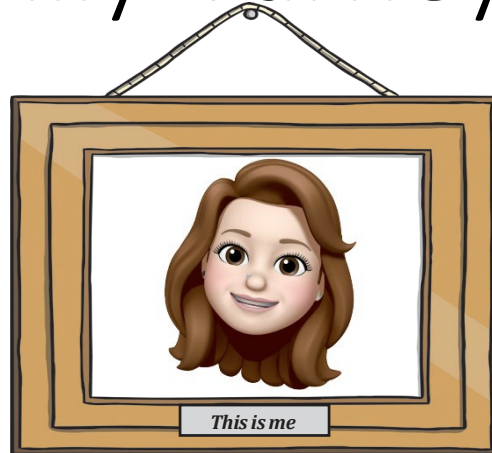

Send an email or call our Team's "front door" – this way I can find the right information to address your query or arrange a time to call you back myself

The best thing about my job is...

Doing something different every day and constantly learning!

Words that describe me...

Hard-working, honest, empathetic, and organised!

I promise that:

1. Children and young people come first; you will see that they are at the heart of everything we do.
2. I will work in a professional, productive and organised way at all times; I want to work collaboratively with you to achieve the best outcomes for you and your child.
3. Good communication matters to me; I am always happy to answer emails or arrange a time to go through your queries over the phone.
