

All about Gemma Hammond

I am an EHCP Co-Ordinator

One thing I like.....

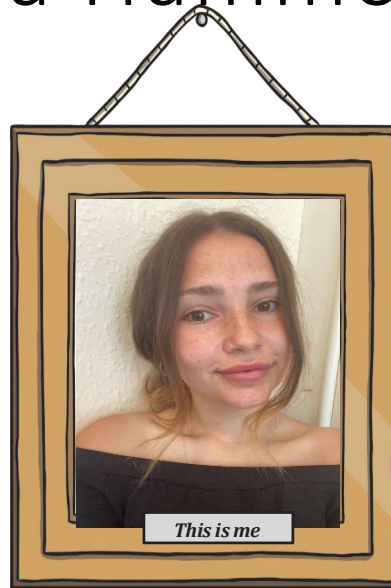

Going on holiday somewhere sunny!

One thing I don't like is...

Being unorganised!

The best way to communicate with me is...

I like to chat! But I understand not everyone likes talking, so I can communicate through writing. I also like to communicate through drawings as some children like to draw to show how they are feeling or use pictures to help them understand routine/instructions.

The best thing about my job is...

Getting to meet new families and the smiling faces of children and young people

Words that describe me...

Bubbly, personable, hardworking and empathetic.

I promise that:

1. I will have open and honest communication with you throughout the whole process
2. Every decision I make will be in the best interest of the child or young person and their families
3. I will make sure that the child's views and aspirations form the centre of every plan I write.
