

All about Mel James

I am an EHCP Coordinator preparing for adulthood

One thing I like....

Is being able to listen to the family's needs and help them access the correct support.

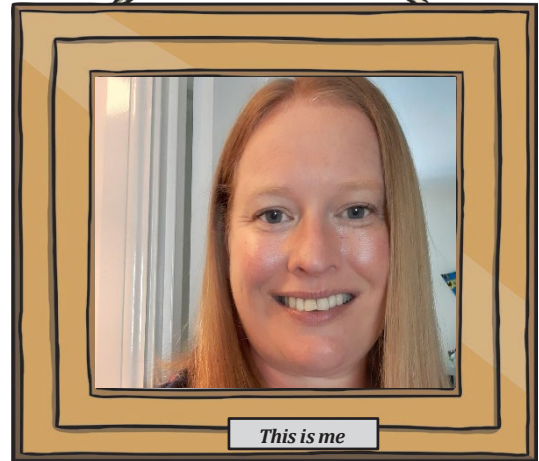

One thing I don't like is...

To give bad news or say no

The best way to communicate with me is...

I am happy communicating via email or phone.

The best thing about my job is...

Seeing children and young people get the correct support at the right time.

Words that describe me...

Kind, organised but also at times be a bit scatty.

Chatty, honest and approachable.

I promise that:

1. I will always put children and young people at the heart of what I do
2. I will always get back to you with your query and if I do not know I will find out.
3. Be honest and approachable
