

All about Emma Skudlarz

I am an EHCP Co-ordinator

One thing I like.....

In work: Organisation and helping others and offering support.

Outside of work: Being around positive people and being involved in anything active!

One thing I don't like is...

In work: Having to give bad news and disappointing people.

Outside of work: Rudeness

The best way to communicate with me is...

Through email. I will always try and reply to you as soon as I can.

Please email:

The best thing about my job is...

Being involved in the SEND team and constantly learning new things. My background is in SEND and I am extremely passionate about this area of need.

Words that describe me...

Empathetic, understanding, trustworthy, dedicated.

I promise that:

1. I will always put the needs of children/young people first and will offer help and support in any way that I can.
2. I will endeavour to build positive relationships with those around me, built on mutual respect. I think this is extremely important!
3. I will communicate effectively, whether this be on the phone, through email or in person.
