The best way to communicate with me is...

Send me an email to book at time to have a conversation on the telephone or via Teams

Please email:
SENDSERVICE@swindon.gov.uk.
Or call:

I promise that:

1. I will listen with an open mind and work in partnership
2. I will do my best
3. I will develop the SEND Service Preparation for Adulthood hub to ensure young people and their families and carers are confident about the options and opportunities available within Swindon

The best thing about my job is...

Having the opportunity to work within Preparing for adulthood to develop the team and how we work with young people, parents and partners

Words that describe me...
